House Bill No. 1997*

by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Title 6, Chapter 54, Part 2, is amended by adding the following language as a new section:

Notwithstanding any law to the contrary, records held by a city whose primary industry is tourism that address a specific amount of money expended in a given market for digital or traditional media or that address the specific detail of targeted audiences identified for marketing purposes may be treated as confidential and not subject to the open records law, compiled in title 10, chapter 7. Nothing in this section shall prevent public disclosure of aggregate expenditure amounts for marketing activities at any time.

SECTION 2. This act shall take effect upon becoming law, the public welfare requiring it.
